## ADVERTISING RATES – 2024

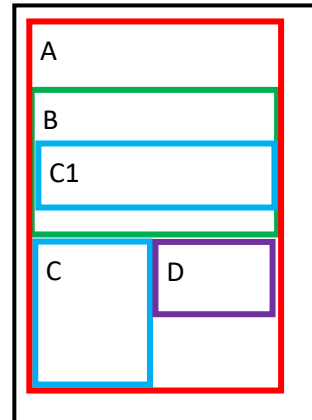

The Sutton Courtenay News is a free parish magazine that is delivered to all the households in Sutton Courtenay (currently over 1,400). The magazine is issued ten times a year, each month except January and August, and is also available for download in pdf format on our website [suttoncourtenaynews.co.uk](http://suttoncourtenaynews.co.uk). The magazine is produced and delivered on an entirely voluntary basis – the printing costs are met predominantly by advertising revenue, a small grant from the Parish Council and small donations from some regular contributors.

Advertising in the Sutton Courtenay News will bring your business or services to the attention of over 3,000 residents of Sutton Courtenay, as well as their friends and family in neighbouring villages.
