WANTED - SCHOOL CROSSING PATROL OFFICER (LOLLIPOP MAN/LADY)

After a count of children using Harwell Road, the County Surveyor has recognised a need for a School Crossing Patrol Officer. Anyone interested in the post please contact the Clerk to the Parish Council, Mrs. D. Newton, 11 Chapel Lane, Tel. S.C. 425 for further information.

WANTED
MODELS FOR PORTRAIT PAINTING CLASS

This is a quiet class of serious artists, so please don't be shy. The class meets for 10 weeks from the end of September, every Wednesday from 10 a.m. - 12.30 p.m., and from 1.30 - 3.30 p.m. at Abingdon College. Transport can be provided and lunch is available at the College. You will also be paid (71p per hour) and it might suit a young mother - any age is suitable provided you won't fall asleep and don't wear glasses! Anyone interested please contact Mrs. Haddon, 46 High Street, Sutton Courtenay, (Tel. S.C. 255) as she urgently requires models for her class for the forthcoming term.

SPORTS DAY

After many years as a qualified AAA judge and referee, I was sure it would never happen to me, but Mr. Vale and I both had to admit it - the first year infants defeated us! Sorting out that finish of their 30 yards stop-start-run- was too much, they linked hands and left us in line, quite happy and little realising they had felled the mighty!

A new event, the Mums' race, provided an excellent field, and Mrs. Butterfield won a good gallop by the shortest of short heads. It is rumoured that the Mums are asking for a Dads' race next year - any suggestions?

44 events sorted out the House trophies - Mill won the Boys, River the girls, and Abbey the Olympic Torch as overall champions. A very well managed sharing, but the competition was keen and only 5 points separated the first and last in the overall competition.

COPY DAY for October issue of the "News" is Wednesday, 11th September. All contributions to the Editor, Mary Thompson, 124 High Street, the Post Office or Rogers' Shop BEFORE Copy Day.

THE HOUSING OFFICER, VALE OF WHITE HORSE DISTRICT COUNCIL, has asked us to publish the following item:-

PARENTS!

Your co-operation is requested in reducing the problems of noise in the vicinity of the Bradstocks Way shops. You will understand that people living above the shops do not enjoy very much privacy at the best of times. Noise from footballers in the car park and transistor radios on the forecourt does not help, so will you do your best to encourage your children and young people to keep the volume down and exercise care with their games in the evenings.

PARISH COUNCIL

At the last meeting of the Parish Council, a planning application was received from Amey Roadstone Construction Co. for filling in gravel pits with household refuse instead of fly ash from the power station, and also for excavation of sand and gravel in an area extending almost to Hobbyhorse Lane. The Council considered this such an important application with such far-reaching consequences that it was agreed to arrange a meeting between the two parish councils involved (Sutton Courtenay and Appleford), the Vale of White Horse District Council, and officials from Amey Roadstone and the C.E.G.B.
