PARISH COUNCIL NEWS

Parish Council Elections

The Parish Council comprises 11 seats and 13 residents have submitted valid nomination forms for the forthcoming elections. There will therefore be a ballot on Thursday 7th May to see who will form the new Council. The ballot will take place at the same time as the parliamentary and district council elections. The first meeting of the new Council will take place on Tuesday 12th May in the village hall at 7.30 p.m.

Abbey Footway

Several residents have expressed concern regarding the state and condition of the footway which runs alongside The Abbey and which links the village green area with Cross Trees triangle. This is particularly so after heavy rainfall as the path remains extremely wet and muddy. The path has been inspected by the County Council and has been found to be in a reasonable condition as far as they are concerned with only one small area in need of attention. There is no spare funding available for works that are not deemed absolutely essential. The Parish Council would therefore encourage you, if you have had problems using this path, to contact the County Council either by emailing highway.enquiries@oxfordshire.gov.uk or telephoning 0845 310 11 11

Planning Obligations under s. 106 Town and Country Planning Act 1990 – Warehouse

Questions have been put to the Parish Council regarding any funding from the warehouse proposals, which may come to the parish. In order to clarify the position, the Parish Council can report that the Vale of White Horse District Council, when passing the resolution for the approval for the warehouse required there to be a sum included in the legal documentation for village improvements, path clearance and maintenance and a contribution towards the Environmental Education Centre. This is currently being sorted between the Vale of White Horse District Council and the applicant. The Parish Council is not a party to the agreement. The Vale of White Horse District Council, as planning authority, will collect any sums due, and will agree with the Parish Council in due course as to how much will be released to the Parish Council, as and when suitable projects emerge.

Planning Applications

The Parish Council has considered the following planning applications:

P15/V0499/FUL Erection of new fence and gateway in front of the electricity pylon in Harwell Road. The Parish Council had no objections to this.

P15/V090 Extension to rear. New roof containing first floor accommodation. New porch to front at 5 Milton Road. Council asked the any windows to the side which could potentially overlook neighbours be either fixed with obscure glass or set at a height whereby overlooking was not possible.

MW.0039/15 s. 73 application to amend the landfill phasing for the restoration at the landfill site. The Council asked that previous issues relating to drainage be resolved first as the proposal to infill with inert material would have an effect on the ponds at the northern end of the site. Any drainage scheme should be monitored before agreeing to other changes on site.

Date of Next Meeting: Tuesday 12th May, 2015 at 7.30 p.m. in the village hall, Frilsham Street.

Clerk: Mrs. L. Martin 90 Howard Cornish Road, Marcham Tel: 01865 391833 or email: info@suttoncourtenay-pc.gov.uk.

SUTTON COURTENAY PRIMARY SCHOOL

LOVE LIFE; LOVE LEARNING; LOVE ONE ANOTHER

Our vision of the school is built upon community – learning together, discovering together and loving one another in order to achieve the highest standards across the curriculum, in our values and how we value each and everyone.

‘A new command I give you: love one another. As I have loved you, so you must love one another.’

John 13 v34

OUR MISSION

Our mission is to strive for excellence. The spirit and teaching of the Christian faith underpin all aspects of school life. We are committed to encouraging and supporting individuals to reach their full potential in becoming life long, independent learners.

OUR VALUES

We show respect	Do for other people the same you want them to do for you. Matthew 7 v12
We are honest	Think about things that are good and worthy of praise. Think about the things that are true and honourable and right and pure and beautiful and respected. And do what you learned and received from me. Do what I told you and what you saw me do. Philippians 4 v8-9
We are responsible	Don't judge other people, and you will not be judged. You will be judged in the same way that you judge others. And the forgiveness that you give to others will be given to you. Matthew 7 v12
We are kind	If one has the gift of encouraging others, he should encourage. If one has the gift of giving to others, he should give freely. If one has the gift of showing kindness to others that he should do with joy. Romans 12 v8
We co-operate	Does your life in Christ give you strength? Does his love comfort you? Do we share together in the spirit? Do you have mercy and kindness? If so, make me very happy by having the same thoughts, sharing the same love and having one mind and purpose. When you do things, do not let selfishness or pride be your guide. Be humble and give more honour to others than to yourselves. Philippians 2 v1-4
We persevere	So we have many people of faith around us. Their lives tell us what faith means. So let us run the race that is before us and never give up. Hebrews 12v1.

WE ALWAYS TRY OUR BEST

Vote for churches – Party leaders reveal their favourite churches

I wonder which is your favourite church? I hope some of you will say All Saints but then I am obviously biased! I came across this article from the National Churches Trust and thought it interesting and topical. Sutton Courtenay Parochial Church Council are hoping to apply to the National Churches Trust for a grant to help improve our facilities and to meet the demands of the 21st century – please see below for details of an Open meeting where you can hear more about our plans as outlined in previous issues of the Sutton Courtenay News.

The National Churches Trust has revealed the favourite churches of the seven party leaders who are taking part in the 2015 General Election.

The Rt Hon David Cameron, Leader of the Conservative Party, has chosen All Saints Church, Church Lane, Spelsbury, Oxfordshire and St Mary the Virgin Church, Church Green, Witney, Oxfordshire. He says: "All Saints at Spelsbury (is) where my family sometimes worship when we are at home in Oxfordshire. It has a very special memory of my late son, Ivan's, christening. Another church I have great affection for in my constituency is St Mary the Virgin in Witney. I have the honour of being one of the Patrons for the Appeal for Restoration and Renewal."

The Rt Hon Ed Miliband, Leader of the Labour Party, has chosen St Mary Magdalene Church, High Street, Campsall, Doncaster. "St Mary Magdalene is said to be the church where Robin Hood and Maid Marian were married. As strong believers in redistribution, the people of Doncaster North are happy to reclaim his roots. I am proud to have this church in my constituency."

The Rt Hon Nick Clegg, Leader of the Liberal Democrats, chose St Nicholas' Church, Town Gate, High Bradfield, Bradfield, South Yorkshire. "This stunning 15th century Grade One listed church is situated within High Bradfield in my Sheffield Hallam constituency. ... it can be seen for miles around and offers great views across the valleys."

The Rt Hon Nicola Sturgeon MSP, Leader of the Scottish National Party, chose Fisherton Parish Church, Dunure, South Ayrshire. "I was christened in Fisherton Church in Dunure. It is a picturesque and peaceful place, with nearby castle, harbour and lookout tower. It's a place I loved as a child and still means a great deal to my family."

Leanne Wood AM, Leader of Plaid Cymru, chose Soar Ffrwdamos in Penygraig, Rhondda. "Soar is a vital part of the community as it facilitates all kinds of groups, from all backgrounds and from all sectors of Rhondda society."

Nigel Farage MEP, Leader of the UK Independence Party, chose St Thomas à Becket Church, Fairfield, Romney Marsh, Kent. "A uniquely situated church in the middle of the marsh. Quite enchanting."

Natalie Bennett, Leader of the Green Party of England and Wales, chose St Bartholomew the Great, West Smithfield, London. "Laying a hand on the walls dating back to Henry I, I reflect back on the many tumultuous events they've witnessed, and survived, from the Great Fire to the Blitz."

Since 1953, the National Churches Trust has provided £85 million worth of funding, at today's prices, to help pay for urgent repairs and the installation of up to date facilities to places of worship of all the major Christian denominations. As spokesperson says: "Whatever the result of the 2015 General Election, we hope that politicians of all parties will continue to support the task of keeping churches, chapels and meeting houses looking beautiful and able to cope with the demands of the 21st century."

With love and prayers, Helen

The Reverend Helen Kendrick, Priest-in-Charge of Sutton Courtenay with Appleford

OPEN MEETING FOR PRESENTATION OF CHURCH DEVELOPMENT PLANS

Our plans for developing the church have been on display in church since before Easter and we would encourage you to go and look (we keep the church open during daylight hours). However we are very aware that there are questions and comments which people wish to make and we would value your input at this stage to help us get our plans right.

We would also be delighted if as many people as possible could come to an Open Meeting being held in the Church on **Monday 18th May at 8pm**. We will make a brief presentation of our proposals to upgrade the toilet and kitchen facilities and build a meeting room on the north vestry of the church. Then there will be time for questions and discussion – all are welcome. *Helen and the PCC.*

Our meetings are open to any visitor who would be made most welcome.

The Society welcomes new members. NAG5 SAFETY CORNER

Warning over pension reform rip-offs

New pension reforms come in to force from April 6. A recent survey of those aged 55 and over, commissioned by Get Safe Online, the public private joint internet safety initiative, found that:

Only one person in four (25%) knew how to spot the difference between a pension scam and an approach from a legitimate organisation.

One in ten (10%) had already been targeted.

Over three quarters (78%) of those surveyed had no concerns about falling victim to a pension scam.

New data from Cifas, the UK's fraud prevention service also reveals that people aged over 55 are increasingly being targeted by identity fraudsters. There was a rise of 15% of such incidents in 2014. The same data that is used to impersonate people can also be sold and used to make pensions scams ever more convincing and effective. This highlights the need for those aged over 55 to remain particularly vigilant to identity fraud.

Look for the warning signs - unsolicited approaches over the phone, via email or text message or from a caller at the door about:

Accessing your personal or company pension before you are 55 years old.*

Investing the money released from your pension pot under the new rules.

Claiming to be from the government, offering retirement planning advice.

Providing your phone number, home address and/or personal financial information, when you are only enquiring about the products on offer.

* Only in rare cases, such as terminal illness, is it possible to access funds from your current pension scheme before the age of 55.

Also be wary

Of pushy advisors or 'introducers' who offer upfront cash incentives or suggest legal loopholes.

Of companies offering a 'loan', 'savings advance' or 'cash back' from your pension.

If you are encouraged to speed up the transfer process, including the 'provider' using an express courier service for documents.

If you are not informed about the possible tax consequences.

If documentation is withheld from you, either with or without an explanation.

Guard against pension fraud

Use free service such as The Pensions Advisory Service by calling 0300 123 1047 or visit the website at

<http://www.pensionsadvisoryservice.org.uk/>.

Never divulge financial or personal information to a cold caller or in response to an email or text.

Get as much information as you can about the company's background, including internet reviews. Any financial advisers should be registered with the Financial Conduct Authority (FCA).

Request a statement showing how your pension will be paid when you retire, and ask who will look after your money until then.

Gain an unbiased review from an advisor who is not associated with the proposal you have received.

Never be rushed or harassed into agreeing to a pension transfer or an investment of the cash you have released.

Tony Neate, CEO of Get Safe Online commented: *"With these changes, pension scams could become as big as Payment Protection Insurance (PPI) scams. Victims could be liable for heavy tax charges or, in the worst case scenario, they could lose their entire retirement pot and face an immensely difficult future. These types of criminals are clever, manipulative and will target their victims at a time when they are making big decisions about their future...they will try every way possible."*

DISTRICT COUNCILLOR'S REPORT

I have two further not-unimportant points to make on planning issues.

1. Building site problems. I have taken up Milton Rd. site problems with the Vale, and pass on some information. First the planners are responsible for seeing that the developers comply with the planning conditions, so any breach should be reported and they must act (if they do not tell your district councillor). Readers can understand that Vale planners who know they are very unpopular are somewhat reluctant to act, but they must enforce their own conditions, so feel free to chase them direct, or with petitions and questions to the Planning committee or the Council as I suggest last month.

Second, there are other site nuisances like ultra loud radios blaring out all day long. The Vale environment folk have to date been very helpful on this, so keep them informed. Just think of the curse of loud radios in daylight hours to someone on night shift or an invalid trying to sleep. Such intrusions can and must be stopped.

2. Localism v. Govt. Policy. My attention has been drawn to some who imagine they can get local feeling over through a Neighbourhood Plan, and thus stop endless major developments. Now consider what a Neighbourhood plan is. It is a parish plan which costs a lot of money and involves a lot of work, so it had better deliver something in return. I am told that so far only one has been approved in the whole of England! A plan has to agree with the District's local plan or it is vetoed. It has to pass an inspector after some sort of local referendum. Does anyone really imagine a Neighbourhood Plan, however excellent and however much (even unanimously) endorsed locally, could possibly overthrow and counteract District and Inspectorate views? If they do, I fear they are living in cloud cuckoo land. Neighbourhood plans will never be allowed to overthrow Government housing policy plans. And the Government is working to overall housing numbers, as all main political parties keep saying.

I hope these two points help to clarify the complex issue of local housing and local planning. We can do things about it, but hardly by Neighbourhood plans.

Gervase Duffield, your District Councillor

The Ridgeway National Trail Partnership New Partnership set up to run The Ridgeway National Trail

From 1st April a new organisation, The Ridgeway Partnership, will be responsible for the future management, development and promotion of The Ridgeway National Trail. This new body will involve a wide range of organisations representing users and other stakeholders alongside Natural England and the local authorities that manage The Ridgeway at present.

Ian Ritchie, Chair of The Friends of the Ridgeway (FoR), said "The Partnership represents a great opportunity to bring the delights of the UK's oldest path to a much greater number of people, pursuing a wide range of activities. It is a wonderful asset so close to large centres of population. The Ridgeway has some spectacular scenery and unparalleled prehistoric sites such as the Uffington White Horse and the series of Iron Age hill forts along its length. We aim to encourage more people to get out to walk, cycle, and ride or drive horses along it, and we want to introduce it to young people and make it accessible for the less mobile and those with disabilities."

"We shall enhance the visitors' experience by improving the approach paths to The Ridgeway," said Dave Cavanagh of the Ramblers, a Partnership member, "with the help of volunteers from Ramblers and the Chiltern Society. This will encourage some people to park in villages or use public transport, enjoy many circular routes that take in sections of The Ridgeway, accessing it at more points, and to enjoy local pubs and tea shops on their return."

The Ridgeway Partnership comprises Oxfordshire Country Council (OCC) as the Lead Partner – the body accountable to Natural England – , the other local authorities for the areas through which the Trail passes, Natural England, North Wessex Downs Area of Outstanding Natural Beauty (AONB), Chilterns Conservation Board and organisations that between them represent many of those who use The Ridgeway and its wider corridor, including archaeologists, cyclists, families, equestrians, landowners, naturalists, runners, tourists and associated businesses, as well as walkers.

To further this inclusivity, a Ridgeway Forum will be established, open to all community, business and individual stakeholders for communicating information and ideas, answering queries and receiving feedback and opinion.

SCPC CHAIRMAN'S REPORT TO ANNUAL MEETING OF ELECTORS, 7TH APRIL, 2015

Parish Council Elections in May 2015:

Parish Council Elections will be held on Thursday 7th May, 2015.

Planning:

Sutton Courtenay is ranked high on the list of sustainable larger villages in The Vale. Unfortunately, the NPPF 'presumption in favour of sustainable development' and the absence of VWHDC local plan mean local opinion carries little weight when planning applications are considered by VWHDC. The Parish Council has submitted detailed written comments and attended planning meetings to represent residents' views for every large development application and hearing. Most recently the Chief Executive of VWHDC met with the Parish Council to discuss the unprecedented number of submitted, and expected, planning applications.

- **A total of 53 applications for the parish were handled by VWHDC.**
- New warehouse application and meetings with OCC, VWHDC and Diageo agents to discuss transport issues.
- Demolition of Cooling Towers
- Waste transfer station on landfill site and standby electricity generation plant in SC Lane
- In addition to main housing developments, 2 new houses in Churchmere Road and 2 in Mill Lane.
- Pursuing planning enforcement at Cross Trees Farm
- Considered VWHDC draft Local Plan and Science Vale Plan
- Culham Science Centre - redevelopment
- Didcot "A" – Future uses
- Pursued arrangements for a meeting with other parishes regarding housing numbers.
- Milton Road entry feature – narrowing to reduce speed of traffic.
- Vale Neighbourhood Planning Conference – to send representatives later in the year.
- Oxfordshire County Council – Transport Plan
- Commented on a hydropower station on the Culham Parish bank of The Thames.

Main Matters considered by Council included:

- Budget and awarded grants to various organisations. Precept remained the same.
- FCC – Drainage
- Oxfordshire County Council Minerals and Waste statement of community involvement
- Considered undertaking flood assessment of village (Insufficient financial resources)
- Drayton Road Traffic Calming
- War Memorial restoration
- Old Wallingford Way resurfacing (Resulting in complaints of speeding traffic)
- Changes to Bus Services – lack of service along Appleford Road
- Provision of village defibrillator
- Drayton village Neighbourhood Plan
- New Street names

Other Issues considered by Council:

- State and conditions of roads – Sutton Courtenay Lane / Bradstocks Way estate
- Village Green posts to prevent vehicle parking
- Litter
- Dog Fouling in Cemetery
- Peep O Day Lane – motorcyclists
- Condition of Bridleway 10 rear of High Street

Presentations at PC meetings:

- DAMASCUS- a report on recent activities and developments
- Linden Homes, London Regeneration and Diageo agents
- New policy in place to hold presentations in public domain when possible.

Representation on the following:

- FCC - Appleford / Sutton Courtenay Liaison
- RWEnPower Liaison Committee
- Didcot Community Forum
- Harwell Chilton Stakeholder Group
- Culham Stakeholder Group
- Neighbourhood Action Group
- Reservoir Affected Parishes Group
- Oxfordshire County Council - Parish Transport Representative
- Village Hall Management Committee
- Millennium Common Committee
- Damascus Advisory Committee
- Oxfordshire County Council Minerals and Waste Stakeholder Forum
- Parish Plan Steering Group
- Milton Park Liaison Committee
- Abingdon Children's Centre Advisory Group Meeting
- Also attended Town and Parish Forum meeting and CPRE meeting regarding housing

Members' attendance at Parish Council meetings, 2014-2015:

COUNTY COUNCILLOR'S REPORT

In an election period, I must be very careful what I say

After the enormous amount of work put in by so many people to Drayton's Neighbourhood Plan, the Referendum turnout was, perhaps, a little disappointing. 91% Of 36% is, however, a higher proportion of the total village population than elects most MPs and certainly higher than the proportion that elects local politicians.

The problem with falling turn-outs is the consequent risk of elections producing freak results, where very few of those elected truly represent their residents or, worse still, lunatic fringes can come to power.

Whatever I read in the media, much of which is written by highly paid men and women, it is my firm view that the overwhelming majority of those who serve in politics at local and national level, in whatever party, are hard working, caring people who genuinely want the best for those they represent. Many of them are not well off, and apart from a tiny few at the top of national politics, I have not met any who are motivated by the modest amount of money they get for their work. The very least we can do for all of them is come out to vote.

The right to vote has been hard won over many years. Please do not allow democracy to become hi-jacked. Read what the politicians send you, make up your mind, and vote. Then, by all means, hold them to account and expect much of them - that is the right which your vote gives you .

LETTER TO THE EDITORS

Church of All Saints ..Building Project

We are all extremely fortunate to live within a village with a Grade 1 listed Church which was founded in 12th Century.

Firstly I would like to point out that this is certainly not a case of NIMBY but...

1 Is the Church itself not a place of meeting as well as worship? Why do we need a new Community Room and an office and a Flower arranging area? I understand the kitchen needs an update as do the Toilet facilities.

2 The Vestry could be very cleverly designed as a space with an open plan kitchen including toilet facilities . This could be used for the Sunday School Class, for Family members and Children during Services and for flower arranging etc etc. These activities can be held within the body of the Church.

3 We are also forgetting that we have a very large and sound Village Hall that seems to accommodate most of the Village when we have meetings. Why can this Hall not be used for Sunday School Classes and any other activity that can not be held in the Church? Though I still do not understand why these activities cannot be timetabled into the Church Calendar.

4 We also have The Abbey that can be used for meetings etc. which is a stones throw from The Church.

What state is the fabric of the Church ? The Tower ? The timbers ? Internal decorations? The grave stones ? The trees and the grounds? The funds raised should go towards the up keep of this extremely precious Church rather than a new extremely costly Meeting Room that is seriously not a necessity. A new thorough survey of the Church should be carried out and made public.

Do we really want to exhume the remains of our dead? What respect are we giving to the Ancestors of this Village who are resting in peace and to their Families?

What response have you had from English Heritage?

The Church stands in its own very magical timeless grounds - why spoil it by adding a Community Room.

I personally feel that the village has been split over many projects over the years - let us not give it the coup de grace.

SUTTON COURTENAY CRICKET CLUB

2015 Season

We have a full fixture list for the forthcoming season, with our 'Home' games again being played at Steventon this year. We will be playing Sunday friendlies against other village sides and are again entered into the Downs League for midweek 20/20 games.

The Club also entered into two District leagues this year for our magnificent U 11's – (Runner's Up in the District Kwik Cricket League 2014 and Winners of the Cumnor Kwik Cricket Tournament in 2014) - one a Kwik Cricket League and the other a Development League using a hard ball.

Cricket Nets @ the Recreation Ground

Sutton Courtenay C.C. would like to invite players old and new to our summer net sessions which are held every Thursday evening, starting at 6.00. New players of all ages and abilities are most welcome - whether you haven't played for years or just would like to try your hand at batting, bowling or fielding! Our first net was last night, at the time of writing, and we had 24 players from the village attend!

The Cricket Pavilion

We are delighted to announce that we have 'in principle' approval from our Parish Council to submit plans for our own Cricket Pavilion on the Recreation Ground. Whilst there still remains a huge amount of work to be done in terms of project planning and a considerable sum of money to be raised before this can become a reality, we would like to take this opportunity to thank the Parish Council for their kind support. This will be a huge step forward for us as a club and we would welcome advice, help, support and contributions from anyone associated with the village.

Watch this space!!

For further information please contact the Club Sec: kit@silverfoxsilver.com

2014 Season review

It would be remiss of me not to mention some absolute stand out performances last year:

Our Kwik Cricketers were just fantastic – narrowly being beaten off the last ball in the District League Final and then emerging victorious in the Cumnor Invitation Tournament. Well done boys and girls, you were superb, you raised your game from week to week, you were worthy competitors, outstanding winners and you did Sutton Courtenay proud!!

Each one of you deserves a mention – Mia Pryde and Chelsea Hill (who even opened the batting a couple of times, well done girls) Joe Churchill-Stone, Toby Elford, Robin Brooke-Taylor, Daniel & Harvey Johns, Charlie Herbert, Ted & Alfie Borg, Leo Pryde and Reg Duckham.

Not to be totally outdone, the seniors won two games, including the final, in a T20 knock-out on the same day that the Kwik Cricketers won in Cumnor – making a total of Sutton Courtenay 5 the rest 0, all in one glorious day!!

The seniors won 8 out of their last 10 games and finished the season in tremendous style - chasing down an impressive 226—5 off 40 overs by Great Haseley, we made 227 for 3 with 6 overs to spare with Elliot Mathews hitting a glorious 108 not out, his first century for the Club.

The beer tasted sweet long into the night!!

All that remains is to thank the parents for all the invaluable support they gave each week to our youngsters, to thank Daniel Hill and Garry Dineen for managing our juniors so well and to thank Pippa and Charlotte for producing such memorable teas!

We wish each and every one of you, all the best for 2015 and look forward to another memorable season for the Club.
